

THOROGrip® ANCHORING CEMENT

Pourable, waterproof, super-high strength grout for installing fasteners and supports into concrete

CONSUMER PRODUCTS

Features and Benefits:

- Portland cement-based grout, stronger than most surrounding concrete.
- Quick setting, sets hard in 15 minutes.
- Hydraulic, expands as it sets, locks into surrounding concrete.
- Stronger than most surrounding concrete, gets stronger as it cures.
- Can reach over 23,000 pounds pullout strength at 7 days.
- Use exterior and interior; horizontal surfaces.
- Non-shrinking, permanent, durable.
- Waterproof, resistant to freeze and thaw.
- Contains no materials harmful to aluminum or steel.
- Will not deteriorate, oxidize or rust.
- Easy to use. One-component powder mixes easily with water.
- Cleans up with soap and water immediately after use.

Warranty:

- Against defective product. Full warranty details at ThoroProducts.com.
